

## FOX HILL RV PARK & CAMPGROUND PET POLICY

Fox Hill is **PET-FRIENDLY** and we welcome campers who travel and share camping with their family pet. To ensure all guests have a safe and enjoyable experience, it is important that you abide by the following **PET POLICY**:

1. When you check-in, please let us know if you have brought any pets camping with you. Please be prepared to show proof of valid rabies vaccination certificate or tags dated for the current year.
2. Pets must be on a leash no longer than 8 feet at all times (except when they are **inside** our pet play area).
3. Pet droppings are the responsibility of the pet owner. Please clean up after and dispose of pet waste in the campground dumpsters or provided pet waste containers.
4. Pets should not be left unattended at a campsite. If your pet creates a disturbance or is a nuisance to other campers, you may be asked to leave the campground. Vicious dogs must be removed from the campground by the owner or animal control. In extreme cases, a pet may be removed by the Sauk County Animal Control at the owner's expense.
5. Per State Health Guidelines, pets are not permitted in the following campground locations: camp buildings including the office/store, restrooms, cabins, playground or inside the swimming pool fence. **Pets are not permitted inside cabins or allowed to be kept on or at a cabin site.**
6. Visitors of Fox Hill guests should not bring pets into the campground.
7. One family of pets should play at a time in the pet play area.
8. Any animal attack or bite will be reported to the Animal Control Office and/or the Sauk County Sheriff. The pet's owner is responsible for any expenses and liability related to a pet attack.

We hope you and your pet have wonderful time at Fox Hill RV Park & Campground. We encourage you to take advantage of the fenced in pet play area located near the entrance of the campground.
