Speed Limit: 5 miles/hour. We have lots of little guests.

Quiet Hours: We promise a relaxing stay so please be considerate of others. Quiet hours are from 11:00 PM to 7:00 AM. After 11:00 PM, music, movies and TV's must be turned off and conversation contained within your campsite. Children should be supervised after dark. The campground has the discretion to remove anyone without a refund for disruptive behavior.

Pets: Are welcome, except in buildings and the pool area. Pets are not allowed in/on or at cabin sites. Pets must have ID and vaccination tags. Pets must be kept on a leash at all times and picked up after. Doggie pick-up bags are available at the office. Nuisance animals left unattended will be removed by the local animal shelter at the owner's expense. Please check our website for full details on our pet policy.

Campfires: For everyone's safety, fires must be kept inside your fire ring and attended at all times. Please do not move fire rings. *Firewood from outside the campground is strictly prohibited to limit the spread or introduction of invasive insects and diseases.* Firewood is available at the camp office. *Wood (dead or alive) may not be cut down, trimmed or taken from the woods.*

Garbage/Recycling: Please put garbage in the dumpster before leaving. Black and gray water can only be dumped at the dump station. We also have a recycling dumpster located next to the bath house.
